MASTER SKILL — FULL ASSET BUNDLE

atlas-brand-guidelines.skill (28 MB — install first)

The definitive Atlas brand intelligence skill. Contains the full brand system: Gelion font family (14 weights), official logo SVGs and PNGs (44 files), the 2026 'For People, By People' PowerPoint template, complete brand voice guidelines, content playbooks for all 17 use cases, the Atlas Knowledge Sources index, and the full Agent architecture for multi-skill routing. Install this first — sub-skills reference its assets.

Bundled Assets:

- Gelion Font Family (14 OTF weights)
- 44 Logo Files (SVG + PNG, all variants)
- PPT Template 2026 (Gelion embedded)
- Brand Portal Index (all HEX codes)
- Atlas Agent Architecture
- 17 Use-Case Playbooks

SUB-SKILLS — 17 USE CASES

Copy & Content

Atlas Copy

[atlas-copy.skill](#)

General brand copywriting for any format. Lead-with-value framework, Atlas proof points, vocabulary guide.

Social & Digital

Atlas Social

[atlas-social.skill](#)

LinkedIn thought leadership (150-300w), announcements (50-100w), Twitter/X, and Instagram.

Outreach

Atlas Email

[atlas-email.skill](#)

Cold email structure, follow-up sequences, and nurture drips. Forbidden phrases list and subject line bank.

Outreach

Atlas Phone

[atlas-phone.skill](#)

Cold call scripts (30-60 sec), voicemails (under 30 sec), and discovery call talking points.

Social & Digital Atlas Ads atlas-ads.skill LinkedIn sponsored content, lead gen ads, retargeting copy, and Google search ads. Headline bank included.	Internal Atlas Internal Messaging atlas-internal-messaging.skill Slack/Teams messages, company announcements, and internal memos. Human, clear, and on-brand.
Outreach Atlas DM atlas-dm.skill LinkedIn DMs for first contact, follow-up, and post-engagement. Platform-aware tone differences.	Reports & Ops Atlas Reports atlas-reports.skill Standard report structure, compliance briefs, executive summaries. Outputs as .pdf or .pptx.
Copy & Content Atlas Blog atlas-blog.skill 600-1,200w standard posts and 1,200-2,000w deep-dive guides. Opens with the problem, not Atlas.	Copy & Content Atlas Docs atlas-docs.skill One-pagers, white papers, case studies, and project briefs. Gelion required, proper structure.
Sales Atlas Presentations atlas-presentations.skill Always uses the 2026 PPT template. Gelion required. Never outputs as HTML — proper .pptx every time.	Sales Atlas Intro atlas-intro.skill 5-7 slide structure: problem → who Atlas is → differentiator → services → proof → how it works → CTA.
Sales Atlas Demo atlas-demo.skill Pre-demo checklist, demo script structure, objection-ready moments, and leave-behind content.	Sales Atlas Proposal atlas-proposal.skill 10-section proposal structure anchored to the prospect's situation. Gelion required.
Reports & Ops Atlas Country atlas-country.skill Country profiles covering contract, hours, compensation, termination, and compliance traps.	Sales Atlas Pricing atlas-pricing.skill EOR vs. entity setup comparison table, ROI talking points, and pricing email templates.
Internal Atlas Internal atlas-internal.skill Internal presentations, training materials, playbooks, and knowledge base articles.	

RECOMMENDED SKILLS BY ROLE

Role	Install These Skills
Sales Reps & AEs	atlas-brand-guidelines ★ atlas-email atlas-phone atlas-dm atlas-intro atlas-demo atlas-proposal atlas-pricing atlas-country
Marketing Team	atlas-brand-guidelines ★ atlas-copy atlas-social atlas-blog atlas-ads atlas-email atlas-docs atlas-presentations
RevOps & GTM Ops	atlas-brand-guidelines ★ atlas-reports atlas-internal atlas-presentations atlas-internal-messaging
Executives / ELT	atlas-brand-guidelines ★ atlas-presentations atlas-copy atlas-internal atlas-blog

HOW TO INSTALL

1	Download Get atlas-brand-guidelines.skill + any sub-skills from the folder shared with you.	2	Install in Cowork Settings → Plugins → Install Plugin → select the .skill file. Install master skill first.	3	Use it "Write a LinkedIn post about EOR in Japan" — Claude routes to the right skill automatically.

BRAND RULES — QUICK REFERENCE

■ Always Use	■ Never Use
Gelion font (bundled in master skill)	Poppins as a default
Approved color palette (Blue/Purple/Magenta)	Green of any shade · Old navy/purple/blue
Lead with insight, not Atlas	"We at Atlas HXM are excited to..."
Specific claims: 160+ countries, direct EOR model	Vague language: "global" (alone)
Official logo SVG/PNG files	CSS-recreated or stretched logos
Output presentations as .pptx (2026 template)	Visual layouts as HTML
Proofread before sharing externally	Assume AI output is print-ready
Gray 900 (#160629) for all body text on light	Off-brand text colors on light backgrounds
